Outdoor Office

The diagram shows a vertical control panel for an outdoor office. It features a list of areas with corresponding light icons: Pot Lights (down arrow), Sconces (down arrow), Back Deck (down arrow), Kitchen (down arrow), and two empty slots with down arrows. At the bottom are two triangular buttons for up and down navigation. To the right is a vertical slider control with a diagonal hatched background and a small dot indicating the current position. The brand name 'LUTRON' is visible at the bottom of the slider.
